MIL-W-3970/22 NOTICE 2	5985-1285-01
MIL-W-3970/10B NOTICE 2	5985-1285-02

The documents are proposed for cancellation because no 10 year demand usage could be found for them. Please provide concurrence or comments within 60 days.

If these documents are of interest to you, please submit your typed comments or suggestions using electronic mail or by letter. Comments or suggested changes that are not editorial in nature should include justification. Industrial activities should indicate whether they are commenting from the standpoint of a "User" or "Manufacturer." Military review activities should forward comments to their custodians in sufficient time to allow for consolidating the departmental reply. Navy review activities are requested to send comments to this center in lieu of the Navy - EC custodian. All agencies, industry, and coordinated custodian comments should be sent to this center. Comments originating from military departments must be identified as either "Essential" or "Suggested." Essential comments, which must be accepted or withdrawn, should be supported by test data unless they obviously require no data.

Comments should be returned to this Center no later than 60 days from the date of this letter. Any further coordination concerning these documents will be circulated only to firms and organizations that furnish comments or reply that they have an interest.

If there are questions, please contact Mr. David Arps, by electronic mail at david.arps@dlm.mil (preferred method); by telephone at 614-692-0506, DSN 850-0506; by facsimile 614-692-6939; or by mail at Defense Supply Center, Columbus, Electronic Components Team DSCC-VAT, P.O.
